

Abdulrahman Tamassili Khanji

Full Stack Engineer | Riyadh, Saudi Arabia (Open to Relocation) | Lebanese (Valid Iqama) | DOB: May 2002
+966-55-373-8706 | a.khanji.2025@gmail.com | linkedin.com/in/abdulrahman-tamassili-khanji | akhanji.dev

Full-Stack Software Engineer passionate about translating complex business needs into secure, production-ready web applications. Proven track record of delivering measurable impact, including reducing PostgreSQL latency by 70% and deploying automated zero-downtime pipelines. A fast-learning engineer dedicated to writing clean, maintainable code and integrating modern AI workflows to elevate user experience.

Work Experience

Backend Software Engineer

Jun. 2025 – Mar. 2026

Nawaah

Tripoli, Lebanon

- Deployed 5+ production apps using Docker Compose and GitHub CI/CD pipelines, enforcing migration testing to ensure zero-downtime releases.
- Engineered Gemini Flash AI RAG middleware, streaming chunked responses via WebSockets (SignalR) and building 10+ function-calling API tools for 20k+ users.
- Reduced database query latency by 70% using PostgreSQL index optimization and Redis caching across 5+ platforms (PetVivo, Dine AI, Agentic AI), designing event-driven monitoring triggers.
- Hardened payment gateways against automated abuse and SQL injection using strict API rate-limiting and idempotency, saving \$2,000 monthly.
- Integrated AWS S3 for media storage and Resend SMTP for OTP verification and broadcast messaging serving 20,000+ users by constructing custom notification drivers.
- Built MongoDB logging, PostgreSQL triggers, and a 5-tier loyalty system that increased user engagement by 25%.
- Managed sprints on Azure DevOps, collaborating in a 10-person team to deploy software across the Middle East, the USA, and Canada.

Projects

Salary Solution | Python, FastAPI, MySQL, Ionic, Capacitor, Docker

Jul. 2026 – Present

- Developed a multi-company payroll management platform to audit and track historical employee salary histories using a Python, FastAPI, and SQLAlchemy ORM backend with MySQL.
- Built a cross-platform mobile client using Ionic and Capacitor with local SQLite caching, deploying containerized Docker services to a Cloud VPS secured via Cloudflare and SMTP mailers.

Shahnati – Hackathon CEER | Python, FastAPI, React

May 2026 – Jun 2026

- Developed a prototype EV mapping application demonstrating station location tracking and real-time occupancy status via simulated IoT sensor feeds.
- Designed predictive data analytics dashboards providing key traffic and routing insights to help prospective investors identify optimal locations for new charging stations.

GarageMaster (Senior Capstone) | ASP.NET Core, EF Core, Angular 19, Tailwind, PostgreSQL

Feb. 2025 – Jun. 2025

- Designed a multi-tenant B2B ERP platform using ASP.NET Core, EF Core, and PostgreSQL, implementing Clean Architecture, the Repository Pattern, FluentValidation, LazyCache, and Serilog logging.
- Developed an Angular 19 and Tailwind CSS frontend secured with JWT AuthGuards, integrating Swagger Studio for client generation to manage a complex 22-step automotive service workflow.

Technical Skills

Programming Languages: C#, Python, Java JavaScript, TypeScript, SQL, HTML5, CSS3

Backend & Architecture: ASP.NET Core, Node.js, Spring Boot, REST APIs, Microservices, Clean Architecture, System Design, SOLID Principles

AI & Data Integration: RAG, OpenAI, Google Gemini, Multi-Agent Systems, AI CLIs (Cursor, Antigravity, Claude Code), Local LLMs, Prompt Engineering

Databases & Caching: PostgreSQL, Microsoft SQL Server, Supabase, MongoDB, Redis, Query Optimization, Schema Design

Cloud & DevOps: AWS, Hetzner Cloud, Docker, Cloudflare, Linux Server, UFW Firewall, Git, Postman, Swagger

Frontend & UI: Angular, Ionic, Tailwind CSS, GSAP, UI Animations

Security & Auth: JWT, OAuth2, Role-Based Access Control (RBAC), Row-Level Security (RLS), Vulnerability Mitigation

Education

City University of Lebanon

Tripoli, Lebanon

Bachelor of Science in Computer Science | GPA: 3.8/4.0

Aug. 2022 – Jun. 2025

Languages

Arabic: Native/Fluent

English: Professional

French: Basics
